MAY, 21ST - EDEN CROSS

"ANIMAL COMMUNICATION: GIVING ANIMALS A VOICE"

Eden Cross is a pet psychic medium. She's been communicating with animals for more the two decades. She talks to animals and not only that she also listens to them. She then tells their human "parents" what she hears, sees and feels that the animals are trying to communicate.

Eden is going to give May's club attendants some "food for thought" regarding their dearly beloved animal friends. She will show how intelligent animals are and how they communicate, etc. Her work brings about a greater understanding of our pets. This helps pet owners when needed. If you're interested in how your pet is feeling, rescue animal issues, sudden behavior changes, adding to your pet family, health, illness, surgery and other issues concerning your pet you must attend this meeting .

THOUGHT FOR TODAY

Follow your own footsteps. Learn from the rivers, the trees and the rocks.

Honor the Christ, the Buddha, your brothers and sisters.

Honor Your Earth Mother and the Great Spirit.

Honor yourself and all of creation

Look with the eyes of your soul and engage the essential.
